FOR HOTELS, RESORTS AND RESTAURANTS

APP FOR IPAD & ANDROID

# EXERCCEO®

## ONE GOOD THING DESERVES ANOTHER

Add to the luxury of your  
Hotels, Resorts or Restaurants.  
This super App is a value  
replacement to room services  
or paper menu.

Targeted toward the high-end  
clientele, Exerceo seeks to add  
to the experience of the luxury  
hotels/restaurants by  
enhancing the way your  
clientele looks at the food  
menu with a touch of digital,  
quality and class.

Totally customisable from your  
normal Desktop PC and  
requires very few resources  
other than tablets to operate.

Works in online as well offline  
mode.
